

**Animal Health Program
Maryland Department of Agriculture**

Reportable Animal Diseases In Maryland – January 2018

ATTENTION: Veterinarians: State law requires that: “any person practicing veterinary medicine in the State shall report immediately to the Secretary any contagious or infectious disease among livestock or poultry of which he has knowledge. The report shall be in writing, and include a description of each animal affected, the name and exact address of the owner or person in charge of the animal, if known, the exact location of the animal, and number of susceptible domestic animals that have been exposed to the disease. **The report shall be made within 48 hours after the person knows of the disease**” (§3-104b of the Annotated Code of Maryland)

To report a disease or suspected reportable disease: call the Animal Health Program at MDA Headquarters: **410-841-5810**. After hours, call the on-call Duty Veterinarian: **410-841-5971**

AVIAN

Adenovirus
Avian Infectious Laryngotracheitis
Avian Influenza
Chlamydiosis
Duck Viral Enteritis
Duck Viral Hepatitis
Eastern Equine Encephalitis
(Ratites, Upland Game birds, Turkeys)
Exotic Newcastle Disease
Fowl Typhoid (*Salmonella gallinarum*)
Infectious Bursal Disease
Meloidosis
Mycoplasma (*M. gallisepticum*, *M. Synoviae*, *M. meleagridis*-*Commercial flocks only*)
Pigeon Paramyxovirus
Pullorum Disease (*Salmonella pullorum*)
Salmonellosis (*S. enteritidis*)
Screwworms
Tuberculosis
Turkey Rhinotracheitis
West Nile Virus (Ratites only)

Any suspected Foreign Animal Disease not listed

BOVINE

Akabane
Anthrax (*Bacillus anthracis*)
Anaplasmosis
Babesiosis (Piroplasmosis)
Bluetongue
Bovine Genital Campylobacteriosis
Bovine Leukosis Virus
Bovine Spongiform Encephalopathy
Bovine Viral Diarrhea
Brucellosis
Contagious Bovine

Pleuropneumonia
Crimean Congo Hemorrhagic fever
Echinococcus/hydatidosis
Enzootic Bovine Leukosis
Epizootic Hemorrhagic Disease
Foot and Mouth Disease
Heartwater
Hemorrhagic Septicemia
Infectious Bovine Rhinotracheitis /Infectious Pustular Vulvovaginitis
Johne's disease
Listeriosis (Dairy Only)
Lumpy Skin Disease
Malignant Catarrhal fever
Meloidosis
Pseudorabies
Q fever
Rabies
Rift Valley fever
Rinderpest
Salmonellosis
Sarcoptic Mange
Schmallenberg Virus
Screwworms
Theileriosis
Trichomonas
Trypanosomiasis
Tuberculosis (*Mycobacterium bovis*)
Vesicular Stomatitis

Any suspected Foreign Animal Disease not listed

CAMELIDS

Bluetongue
Camel Pox
Crimean Congo Hemorrhagic fever
Foot and Mouth Disease
Meloidosis
Rabies
Rift Valley fever
Rinderpest

Salmonellosis
Sarcoptic Mange
Screwworms
Tuberculosis
Vesicular Stomatitis
West Nile Virus

Any suspected Foreign Animal Disease not listed

CERVIDS

Akabane
Anthrax (*Bacillus anthracis*)
Bluetongue
Brucellosis
Chronic Wasting Disease
Crimean Congo Hemorrhagic fever
Epizootic Hemorrhagic Disease
Echinococcus/hydatidosis
Foot and Mouth Disease
Heartwater
Johne's disease
Malignant Catarrhal fever
Meloidosis
Pseudorabies
Q fever
Rabies
Rift Valley fever
Rinderpest
Salmonellosis
Screwworms
Tuberculosis
Vesicular Stomatitis

Any suspected Foreign Animal Disease not listed

CAPRINE & OVINE

Akabane
Anthrax (*Bacillus anthracis*)

Animal Health Program
Maryland Department of Agriculture

Reportable Animal Diseases In Maryland – January 2018

Bluetongue
 Brucellosis
 Bovine Spongiform Encephalopathy
 Caprine Arthritis/Encephalitis
 Caseous Lymphadenitis
 Contagious Agalactia
 Contagious Caprine Pleuropneumonia
 Crimean Congo Hemorrhagic fever
 Echinococcus/hydatidosis
 Enzootic Abortion of Ewes
 Foot and Mouth Disease
 Goat Pox
 Heartwater
 Johne's disease
 Listeriosis (Dairy only)
 Maedi-Visna (Ovine Progressive Pneumonia)
 Mange (Sarcoptic or Psoroptic)
 Melioidosis
 Nairobi Sheep Disease
 Ovine Epididymitis (*B. ovis*)
 Peste Des Petits Ruminant
 Pseudorabies
 Q fever
 Rabies
 Johne's disease
 Rift Valley fever
 Rinderpest
 Salmonellosis
 Schmallenberg Virus
 Scrapie
 Screwworms
 Sheep Pox
 Theileriosis
 Tuberculosis (*M. bovis*)
 Vesicular Stomatitis
 West Nile Virus

Any suspected Foreign Animal Disease not listed

EQUINE

African Horse Sickness
 Anthrax (*Bacillus anthracis*)
 Brucellosis
 Babesiosis (Piroplasmosis)

Contagious Equine Metritis
 Dourine
 Eastern Equine Encephalitis
 Echinococcus/hydatidosis
 Equine Herpes Myelitis
 Equine Infectious Anemia
 Equine Influenza
 ***Equine Neurologic Syndrome**
 Equine Rhinopneumonitis (EHV-1 non- EHM)
 Equine Viral Arteritis
 Glanders
 Hendra
 Japanese Encephalitis
 Melioidosis
 Potomac Horse fever
 Rabies
 Salmonellosis
 Screwworms
 Strangles (*Streptococcus equi equi*)
 Surra
 Trichinellosis
 Ulcerative Lymphangitis (Pigeon fever)
 Vesicular Stomatitis
 Venezuelan Equine Encephalitis
 Western Equine Encephalitis
 West Nile Virus

Any suspected Foreign Animal Disease not listed

PORCINE

Anthrax
 African swine fever
 Brucellosis
 Classical swine fever
 Echinococcus/hydatidosis
 Foot and Mouth Disease
 Japanese Encephalitis
 Melioidosis
 Nipah Virus Encephalitis
 Porcine Cysticercosis (*Taenia sp.*)
 Porcine Reproductive and Respiratory Syndrome (PRRS)
 Pseudorabies
 Rabies
 Rinderpest

Salmonellosis
 Screwworms
 Swine Enteric Coronavirus Disease (Porcine Epidemic Diarrhea Virus Porcine Delta Coronavirus)
 Swine Erysipelas
 Swine Influenza
 Swine Vesicular Disease
 Teschen Disease
 Transmissible Gastroenteritis
 Trichinellosis
 Tuberculosis
 Vesicular Exanthema
 Vesicular Stomatitis

Any suspected Foreign Animal Disease not listed

LAGOMORPHS (RABBITS, HARES)

Myxomatosis
 Rabbit hemorrhagic disease
 Tularemia (*Francisella tularensis*)

ALL OTHER SPECIES

Brucellosis
 Pseudorabies
 Screwworms
 Tuberculosis
 Vesicular lesions
 If you suspect a reportable animal disease in other species, call the State Veterinarian's office at 410-841-5810
 After hours: 410-841-5971

MARINE MAMMALS

Report dead or stranded marine mammals or sea turtles to NOAA, Ocean and Coasts Services by calling 410-226-5193

***Equine Neurologic Syndrome:** Horses with central neurologic signs where an infectious cause is suspected or cannot be ruled out. Collect nasal swab, red top and purple top tubes. Call the Frederick Animal Health Laboratory (301-600-1548), the Salisbury Animal Health Laboratory (410-543-6610) or Animal Health Headquarters (410-841-5810) for more collection information and for picking up pre-made testing kits.
