

Governor's Buy Local Cookout 2017

Invitation to Submit an Original Recipe

You are invited to submit an original recipe for Governor Larry Hogan's Buy Local Cookout, to be held at Government House in Annapolis in mid-July as part of the [Buy Local Challenge Week](#) (July 22-30, 2017) activities.

We are soliciting recipes that showcase simple but creative ways to use Maryland-grown or Maryland-raised products in delicious, nutritious meals that can be replicated by busy Maryland families.

Submissions must be made by teams that include one chef and at least one Maryland farmer, producer or watermen. If selected, your team will be invited to provide, prepare, and share the dish at the Governor's cookout. The recipe and biographies of your team members may be published in the Maryland Department of Agriculture's *2017 Buy Local Cookout Recipes* as well as other department publications and releases.

Culinary high school teams are encouraged to submit a recipe. If your recipe is chosen for participation at the Cookout, your high school team may also be eligible up to a \$2,500 stipend. High school recipes need to predominantly highlight local fruit and vegetables.

Original recipes that showcase simple but creative ways to use Maryland-grown products will be chosen in each of the following categories:

- ° Appetizer
- ° Main dish
- ° Side dish or salad
- ° Dessert

Original recipes will be selected based on simplicity, creativity, availability of ingredients, geographic representation, and maximum use of local ingredients. *Previously submitted recipes are not eligible.*
