

## Documentation Forms for Organic Crop Producers

### Equipment Cleaning Log

Use this form to record cleaning of all application, harvest, and transport equipment that is not dedicated to organic operations but is also used for nonorganic materials and to verify adequate cleanliness to ensure that nonorganic products and/or prohibited materials do not contaminate organic crops or products. The producer may modify this form to include equipment and cleaning procedures (to avoid repetitive entries) with spaces to be checked off when completed.

Date	Equipment or Surface	Cleaning Methods and Materials	Responsible Party
