

Maryland Department of Agriculture
MARYLAND AGRICULTURAL WATER QUALITY COST-SHARE PROGRAM
CERTIFICATE OF IMMINENT START-UP OR EXPANSION OF
A POULTRY-GROWING OPERATION

(For 313 and 318 only)

This is to certify that a new or expanded poultry house will be built on the farm referenced in the accompanying MACS Application, and that construction will be completed according to the schedule indicated below. I request MACS cost-share assistance for

_____ (Specify practice(s)),
based on the expected new, total poultry capacity on my farm.

Current flock size/capacity (number of birds before the expansion): _____

Total flock size/capacity after expansion or startup: _____

Type of birds (broilers, layers, etc.): _____

Name of integrator to provide the birds: _____

Approximate date construction of poultry house will begin: _____

Projected completion date for poultry house: _____

Projected date* for first flock to be in place: _____

*(*Must be within six months of the date when the MACS application is signed.)*

I certify that the above information is complete and accurate. I understand that the Maryland Department of Agriculture will not process a Claim for Payment for this project until the extra/new birds have been placed on the farm and the Soil Conservation District has certified this in writing.

Applicant: _____ Date: _____

Owner (if different from applicant): _____ Date: _____

I hereby certify that I have signed a contract with the applicant for poultry placement in the poultry house described above following the approximate schedule described above.

Integrator: _____ Date: _____

Company Name: _____

I acknowledge and agree to the above:

District Chairman or Designee: _____ Date: _____
