I, the undersigned, hereby verify the following:

1. I am the owner/authorized caretaker/transporter (circle as applicable) of the animal(s) identified on the current, valid, Certificate of Veterinary Inspection (CVI) document.
2. I understand that animals showing any signs of or having recent exposure (within 21 days) to contagious or infectious disease are not permitted to enter the fair/show premises. These conditions include but are not limited to the following:
 - a. **SKIN:** Visible evidence of ringworm, warts, mange, lice, and club lamb fungus
 - b. **HEAD:** Discharge from the eyes/nose, evidence of soremouth, pinkeye, or swollen lymph nodes
 - c. **RESPIRATORY:** Signs of infectious respiratory disease include fever, coughing, labored breathing, increased respiratory rate and nasal discharge. Animals originating from a premises with a current infectious respiratory disease and animals with any known exposure to infectious respiratory disease shall be ineligible to show for a minimum of 21 days after exposure.
 - d. **INTESTINAL:** Evidence of diarrhea which is watery and/or persistent in nature
 - e. **FEET:** Contagious hoof infections such as footrot; Exhibition of lame animals is discouraged
 - f. **OTHER:** Recent exposure to, or clinical signs of, any contagious or infectious disease conditions that would exclude livestock from exhibition.
3. I have read and understand the above guidelines.
4. I agree not to present for exhibition any animal showing any signs of contagious or infectious disease or having any known recent exposure (within 21 days) to any contagious or infectious disease.
5. I have visually examined the animal(s) I am presenting for exhibition within the last 24 hours and agree to observe them daily throughout the length of the event. If any signs of illness are noticed, I will alert the event animal health staff and comply with their decisions regarding my animal(s).
6. I have read and understand the MDA animal rejection policy as stated in the 2026 fair and show requirements.
