

Governor's Buy Local Cookout 2023

Invitation to Submit an Original Recipe

You are invited to submit an original recipe for Governor Wes Moore's Buy Local Cookout to be held at the Maryland Department of Agriculture (MDA) in Annapolis on July 20 as part of the [Buy Local Challenge Week](#) (July 21-30, 2023) activities.

MDA is soliciting recipes that showcase simple but creative ways to use Maryland-grown or Maryland-raised products in delicious, nutritious meals that can be replicated by busy Maryland families.

Culinary high school and college teams are encouraged to submit recipes. Student teams submitting poultry recipes may be eligible to receive a donation of poultry from a member of the Delmarva Chicken Association if they are selected to participate in the Governor's cookout (limited to one high school and one college team).

Submissions must be made by teams that include one chef and at least one Maryland farmer, producer or watermen and must include fresh, local Maryland ingredients. Recipes with a greater emphasis on local products will score higher and have a greater chance of being selected to participate. If selected, your team will be invited to provide, prepare, and share the dish at the Governor's cookout. The recipe and biographies of your team members will be published in a press release.

Original recipes that showcase simple but creative ways to use Maryland-grown products will be chosen in each of the following categories:

° Appetizer ° Main dish ° Side dish or salad ° Dessert

Original recipes will be selected based on simplicity, creativity, availability of ingredients, geographic representation, and maximum use of local ingredients. *Previously submitted recipes are not eligible.*
