

**Wednesday November 7, 2018  
8:00 am to 4:30 pm**

**Eastern Shore  
Hospital Center  
5262 Woods Road  
Cambridge, MD 21613**

**To Register:  
<https://fst11718.eventbrite.com>**

**\$25 covers training materials, lunch and breaks and Association of Food and Drug Officials training certificate that satisfies the requirements of the FSMA Produce Safety Rule**

Funding for this training session was made possible, in part, by the Food and Drug Administration through grant PAR-16-137. The views expressed in written materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health & Human Services; nor does any mention of trade names, commercial practices, or organization imply endorsement by the United States Government.

## **FOOD SAFETY TRAINING FOR FSMA PRODUCE SAFETY RULE COMPLIANCE**

### **Who Should Attend?**

Those growers who are interested in learning about produce safety, who need to comply with the FSMA Produce Safety Rule, who need to satisfy buyer requirements, and/or who need to maintain a food safety certification.

### **What Will You Get from Attending?**

- Better understanding of produce food safety
- Insight into the Produce Safety Rule requirements
- Association of Food and Drug Officials Training certificate required to comply with the FSMA Produce Safety Rule
- Explanation of the Maryland and Delaware Department of Agriculture's role in implementing the rule
