

APPLICATION FOR PROFESSIONAL FERTILIZER APPLICATOR (PFA) CERTIFICATION EXAM 2018

The Fertilizer Use Act of 2011 requires individuals who, as part of their job, apply fertilizer to turf on non-agricultural land, be certified or work under the direct supervision of someone who is certified, and that businesses that employ certified fertilizer applicators must be licensed. The requirements for certification, licensing and other program criteria are explained in detail at http://mda.maryland.gov/resource_conservation/Documents/Fertilizer_Law.pdf

Certification Exam Application Requirements:

To apply for the certification exam, an applicant shall file the following with the Department of Agriculture before any announced examination:

- a) A Professional Fertilizer Applicator (PFA) certification application on a form provided by the Department; the certification fee is \$100.
 - b) Provide a Fertilizer Application Business License (MDA-F) number, or a completed business license application on the form provided by the Department. The fee for a Business License is \$50.
 - c) Fees are payable to the *Maryland Department of Agriculture* in the form of check or money order. NOTE: Employees of government agencies and government agencies are not charged a certification or licensing fee.
- 2) Mail the completed application(s) and fee(s) to:
- Maryland Department of Agriculture
Nutrient Management Program
50 Harry S. Truman Parkway, Room 201
Annapolis, MD 21401

Applications must be **completely** filled out and accompanied by the fee. Incomplete applications will be put on hold. A business FEIN or individual SSN are required. Certification and business licenses are valid for up to one year and expire June 30 of each year.

Testing Information

- A government-issued photo ID is required to enter the building and to sit for the exam.
- This is not an open-book exam. Before the review session or the exam, study the *Maryland Professional Lawn Care Manual*. It is available for viewing or download from the link on mda.maryland.gov/fertilizer. The test consists of 50 multiple choice questions.
- **Please Bring a Calculator (that is not on your cell phone) and two #2 pencils for the exam**
- **No cell phones or Ipods** are allowed in the testing room, but regular calculators are allowed.
- A score of 70% or better is required to pass. You may try to pass the exam a total of three times, or within 3 months, whichever comes first, from the date of your first attempt to pass the exam. After this point you must register as a Trained Employee (TE) with your company or agency in order to apply fertilizer to turfgrass. In addition, your company or agency is prohibited from applying fertilizer to turfgrass without having a PFA on staff.

We encourage you to sign up for the review session offered before the exam.

CERTIFIED PROFESSIONAL FERTILIZER APPLICATORS ON STAFF To obtain and maintain a Fertilizer Applicator Business license, at least one Certified Fertilizer Applicator must be on staff.

Name (Last, First, MI)	PFA Certificate Number (or "pending" exam results)
1.	
2.	
3.	

(Continue list on the back of this sheet, if necessary.)

I understand that turfgrass fertilization services provided under this Business License must be conducted in accordance with COMAR 15.20.10. These requirements include, but are not limited to:

- Accurate records pertaining to turfgrass fertilization set by regulations must be kept a minimum of three (3) years and made available to Maryland Department of Agriculture upon request.
- An annual activity report must be filed by March 1 using a departmental form to document application activity for the previous year (January through December).
- Failure to comply with these regulations may result in a loss of license and certificate.

I hereby apply for a Fertilizer Applicator Business License in accordance with the provisions of Agriculture Article Section 8-806, and certify that the above information is true and accurate to the best of my knowledge.
