(Continue list on the back of this sheet, if necessary.)

I understand that turfgrass fertilization services provided under this Business License must be conducted in accordance with COMAR 15.20.04.10. These requirements include, but are not limited to:

- Accurate records pertaining to turfgrass fertilization set by regulations must be kept a minimum of three (3) years and made available to Maryland Department of Agriculture upon request.
- An annual activity report must be filed by March 1 using a departmental form to document planning activity for the previous year (January through December).
- Failure to comply with these regulations may result in a loss of license.

I hereby apply for a Fertilizer applicator Business License in accordance with the provisions of Agriculture Article Section 8-806, and certify that the above information is true and accurate to the best of my knowledge.
