TOMATOES

Fast Facts

- ✓ **Did you know a tomato is actually a fruit?** The confusion arose when the United States Supreme Court named them a vegetable for taxation purposes in the 1890's. What do you think a tomato is, a fruit or a vegetable? Share with us on social media using the **#MDKidsEatLocal!**
- ✓ There are **over 10,000 varieties of tomatoes** that come in different colors including pink, purple, black, yellow and white.
- ✓ Even **after tomatoes have been harvested, they will keep on gaining weight** as they continue to ripen.
