

ADVANCED GOOD AGRICULTURAL PRACTICES (GAP) COURSE

Hosted by:

COLLEGE OF
AGRICULTURE &
NATURAL RESOURCES

UNIVERSITY OF
MARYLAND
EXTENSION

IS AN ADVANCED GAP COURSE RIGHT FOR ME?

- If you are currently working with a written food safety plan and are looking for more in-depth guidance to streamline food safety practices and programs on your farm, or
- If you are interested in pursuing USDA harmonized or Harmonized+ GAP certification...

an Advanced GAP may be right for you!

WHAT YOU'LL GET FROM THIS TRAINING

- Insights to common issues from 2019 Produce Safety Rule (PSR) inspections
- A better understanding of “harvesting” versus “processing” activities – PSR vs. Preventive Controls Rule
- Advanced guidance on developing cleaning and sanitation programs and hygienic design considerations in the packinghouse
- And more!

The University of Maryland Extension programs are open to all people and will not discriminate against anyone because of race, age, sex, color, sexual orientation, physical or mental disability, religion, ancestry, or national origin, marital status, genetic information, or political affiliation, or gender identity and expression.
