The Maryland Produce Safety Program has adopted the U.S. Food and Drug Administration's (FDA) Produce Safety Rule through Maryland legislation that was effective July 1, 2019. The Maryland Department of Agriculture (MDA) will be conducting outreach, education, registration, inspection and enforcement activities for the Produce Safety Rule. Information on individual farms collected through this program will not be shared with any entities or persons outside of the MDA unless it is part of an active food borne illness outbreak investigation. All data collected concerning farms is shared with FDA as aggregate data only. If you have questions concerning your exemption status, please review the Maryland Department of Agriculture "Produce Safety Rule Exemptions and Compliance Dates Fact Sheet" or contact MDA at (410) 841-5769 or produce.safety@maryland.gov .
