APPLICANT'S AGREEMENT:

I understand this is a Maryland Horse Industry Board ("MHIB") program to encourage the general public, particularly those with prior poor experiences or no experience with horses to visit equine stables and farms throughout the State of Maryland. My participation is voluntary and I may withdraw from the program at any time with no consequences. I agree to periodic inspections by MHIB and understand MHIB may terminate my participation for failing inspection, failing to maintain a license or insurance, or for other non-compliance as a Horse Discovery Center ("HDC"). I agree to attend an annual HDC training seminar, participate at Horse Land (Maryland State Fair), and actively market my facility as a HDC. I have read the criteria required to become certified as an HDC and agree to comply with the requirements as now established or which may be established in the future by MHIB. I agree to indemnify MHIB for any incidences which may occur on the premises or claims made against my facility and agree to name MDA and MHIB as an additional insured on insurance policies covering my facility and business operations. I agree to provide a certificate of proof of insurance to MHIB upon demand.
