

# MARYLAND HORSE DISCOVERY CENTERS

These 40 stables have been certified as Horse Discovery Centers by the Maryland Horse Industry Board.

These centers are part of a volunteer, certified program of already existing licensed stables that welcome the general public of all ages and experience levels to learn about horses in a knowledgeable and friendly environment.

They offer a range of experiences from demonstrations and hands-on activities to farm tours and volunteer opportunities. Many stables offer riding lessons, trail rides and pony rides.

Please call or visit their websites and Facebook pages to confirm times and availabilities. Some activities may require a fee, so discuss your interest when you schedule your visit.

Horses bring you closer to nature, and a healthy more active lifestyle.
