III. ANNOUNCEMENTS

Ms. Cable thanked all the attendees for participating in the first ever MALPF teleconference Board meeting. Ms. Cable asked all participants to keep themselves muted, and when unmuted, to clearly state their names before asking a question, or making a motion. Ms. Cable and Mr. Calkins confirmed with Mr. Hayes that when motions are made, Board members only need to state their name if they object, they do not need to verbally say "aye" for each motion.

Ms. Cable provided an update on the FY 2021 budget. MALPF will not be receiving any of the ~$6.5 million payback that was included in the Governor’s original budget submission. The approved budget at the end of the session (state and county funds included) is ~$42.1 million (which includes $8.5 of County matching, resulting in $33.6 million state share). That gives a maximum of $750K for general allotment per county.

Ms. Cable also reminded the Board that their compliance forms are due in April.

VI. PROGRAM POLICY

A. FY 2020 Easement Inspection Deadline

Request:
MALPF staff recommends waiving the requirement to inspect state funded easements for FY 2020, with the deficit of easements to be accounted for by conducting 15% of all State easement properties to be inspected in FY 2021 and FY 2022. MALPF staff also requests that inspections on any federally funded easement properties not yet inspected be waived through the end of FY 2020, to resume in FY 2021.

Ms. Hoxter presented the item. Ms. Jenn Wilson, Harford County, asked if county staff would have the option to complete some inspections this year, which was provided an affirmative response. Ms. Kathleen Freeman, Caroline County, said they support the proposa; they are not allowed to conduct inspections at this time. Ms. Cable added that is the current policy for the State as well. Mr. Mike Scheffel said since Montgomery County has been hit the hardest with COVID-19, they support the proposal to ease inspections for this year and make up the difference in the following years.

Motion #8: To approve waiving the remainder of both state and federally funded easement inspections that were required for FY 2020, to resume in FY 2021, as presented.

Motion: Wood Second: Allen
