

ATTACHMENT TO COST-SHARE AGREEMENT NO. \_\_\_\_\_

**561 - PROVISIONS FOR ATTACHING A  
HEAVY USE AREA PROTECTION (Concrete Pad)  
TO A WASTE STORAGE STRUCTURE OR A  
POULTRY MORTALITY COMPOSTING FACILITY  
(ACTIVE OR EXPIRED)**

The Applicant agrees:

- (1) To use, manage properly, and maintain the waste storage structure and/or poultry mortality composting facility in accordance with NRCS Standards and Specifications for the full 10-year project life of the heavy use area protection.
- (2) With the assistance of the Soil Conservation district, to provide a signed Status Review document indicating that the waste storage structure and/or poultry mortality composting facility is in satisfactory condition, meets NRCS Standards and Specifications, and is being used for its intended purpose.

I have read the above provisions and shall comply with them.
