Public Information Notice – The principle purpose of this application is to identify whom the agency intends to give State funds. If you fail to provide the requested information, MDA may not provide you with funds. You have the right to inspect, amend, or correct personal information collected by the agency. Much of the personal information collected by the agency is available for public inspection. This information is not routinely shared with state, federal, or local government

Certification - I request financial assistance under this program to support the state's water quality goals. I have read the program guidelines and understand the steps involved for approval. I understand I am not guaranteed funds until I have received a copy of my signed and dated agreement from the Maryland Department of Agriculture. I also understand in the event that demand of funds for this program exceeds allotted funding, a ranking process will be implemented to select funded acres and I may not be approved for all acreage I applied for. In order to receive payments for implementation of this practice, I agree to be in compliance with the state's nutrient management requirements (MD Agric. Code Ann. §§8-801-8-806 and COMAR 15.20.06-08).
