## **Environmental Education:**

### **2022 Maryland High School Envirothon Scheduled for June 22**

*Winning Teams from 13 Maryland Counties to Compete at Clarksville Research Farm*

(ANNAPOLIS, MD) – June 16, 2022) – While most high school students have tossed their backpacks aside for the summer, nearly 100 of Maryland's teens will be competing at the 31<sup>st</sup> annual Maryland Envirothon on **June 22, 2022** at the University of Maryland Central Maryland Research and Education Center, 4240 Folly Quarter Road, Ellicott City, MD 21042. The Envirothon is a demanding outdoor natural resources competition for teens that are passionate about the outdoors and the environment. Student teams will compete in five areas of environmental studies: soils/land use, aquatic ecology, forestry, wildlife, and this year's environmental issue: *Waste to Resources*.

The winning team will represent the state later this summer at the national competition at Miami University in Oxford, Ohio, where more than 250 teenagers from the United States and Canada will compete for scholarships and prizes.

**What** The 31st Annual Maryland Envirothon competition for high school students.
