Horse Manure Composting WEBINAR

October 30, 2020 | 9 am - 12 Noon

Ever wonder if composting is the best solution for your equine operation? Get the lowdown from operators who compost their own manure and folks who haul manure away for composting. Webinar awards 3 Nutrient Management CEUs. Here's what you'll learn:

- **Composting Basics**, Dr. Gary Felton, University of Maryland
- **On-Farm Composting**, Steve Darcey, Prince George's SCD and Dr. Charles Mess (both are Maryland Soil Health Champions)
- **Large Stable Composting**, Katrina Weinig, Meadowbrook Stables and Katy Voss, Chanceland Farm
- **Composting for Mushroom Growers**, Fastrak Express
- **Technical Assistance & Cost-Share**, Eileen Beard, MDA
