

THE MARYLAND NUTRIENT MANAGEMENT PROGRAM PRESENTS

"The Fundamentals of Nutrient Management"

A Pre-Certification Webinar Training Series 2021

June 21 through June 24, 2021

COURSE DESCRIPTION:

This training course provides participants with a basic overview of knowledge areas covered by the Maryland Nutrient Management Certification Examination. Topics include state nutrient management regulations, nutrient management principles, basic soil science, and soil fertility recommendations. Instructors are university and government experts.

WHO SHOULD ATTEND:

Anyone planning to take the Maryland Nutrient Management Certification Examination, consultants and farmers interested in refreshing their nutrient management knowledge, and natural resource personnel. **The Certification Examination will be held on Friday, August 6, 2021.**

WEBINAR DATES:

Monday June 21 through June 24, 2021

Webinars will be held for two sessions per day from **9:30am – 11:30am and 1:00pm – 3:00pm** except for June 24th will only be the morning session.

COST FOR MANUALS:

\$25 - Includes Mailing of a flash drive with the Nutrient Management Manual (on MDA website) and Consultant Resource Manual.

Contact Kendra Keeney at kendra.keeney@maryland.gov or 443-223-0403 to provide your Name and mailing address to send the flash drive. **Payment must be received before the flash drive will be mailed.**
