Project Synopsis:

We altered 450 public owned pets within selected zip codes in Charles County.

Maryland Department of Agriculture
Spay and Neuter Grants Program

Project Description:

We assisted income disadvantaged pet owners to alter their pets by offering the service free of charge.

Summary of Approach:

We relied heavily on word of mouth, as well as targeted approach to encourage people in our specific areas to have their animals spayed/neutered.

Accomplishments:

We have altered 450 publicly owned pets within selected zip codes in Charles County.

Lessons Learned:

We have learned to always expect the unexpected.
