### Project Synopsis:

To provide spay and neuter surgeries for owned pets in Baltimore City.

Maryland Department of Agriculture

Spay and Neuter Grants Program

## **Project Description:**

The goal of this project was to alter and provide rabies vaccinations for 810 owned pets for low income pet owners in Baltimore City.

## **Summary of Approach:**

Residents living in Dept. of Ag. designated zip codes may contact BARCS for spay/neuter services for their animals. BARCS schedules and performs the surgery and offers aftercare information to pet owners.

## **Accomplishments:**

BARCS exceeded our stated goal of 810 animals by altering 849 animals! This grant was also completed on time and within budget.
