

Prevent A Litter, Fix Your Critter

Project #

23-8083

County: Worcester County

Number of Cats Spayed: 22

Number of Dogs Spayed: 5

Number of Cats Neutered: 25

Number of Dogs Neutered: 5

Amount Received: \$4,400

Amount Remaining (to be returned to MDA): \$210.00

Project Synopsis:

We proposed 60 surgeries and almost met our goal. We were short three cat spays.

Maryland Department of Agriculture

Spay and Neuter Grants Program

Project Description:

Conduct spay and neuter surgeries to Worcester citizens in need, who otherwise would not be able to afford such services.

Summary of Approach:

Conduct spays and neuters of dogs & cats in our community, focusing on those meeting the economic requirements of this grant. Animals were to be scheduled throughout the grant period.

Accomplishments:

5 dog spays were completed. 5 dog neuters were completed. 22 cat spays were completed. 25 cat neuters were completed. Rabies vaccines provided to all those in need (57).

Maryland Department of Agriculture

Spay and Neuter Grants Program

Lessons Learned:

WCHS needs to have dependable professional staff in place to accomplish grant goals and objectives. This has been a struggle for our organization. Staff turnover, staff not focused on goals and objectives of the board, which include services to our community - including spaying & neutering of dogs and cats in our county. Before WCHS applies for another Department of Agriculture Grant, we need to ensure processes are in place for success.
