Project Synopsis:

To spay and neuter 320 Dogs and cats.

Project Description:

To spay the public-owned cats and dogs to prevent overpopulation. The goal is female dogs, male dogs, female cats, and male cats.

Summary of Approach:

Accepted applications by promoting them on the website, Newsletter, and our socials. Processed applications and approved accordingly, Coordinated surgical date with Spay Spot, and called approved residents to confirm surgery.

Accomplishments:

Reducing the amount of unaltered pets in the community.

Lessons Learned:

We must provide more information to the public more promptly to process applications on schedule and consistently account for emergencies that may arise.
