### Project Synopsis:

To spay or neuter and rabies vaccinate 1,500 or more outdoor community cats in Baltimore City.

Maryland Department of Agriculture

Spay and Neuter Grants Program

## **Project Description:**

To alter and provide rabies vaccination for 1,500 outdoor community cats in Baltimore City.

## **Summary of Approach:**

Qualified animals were identified by our Community Cat Program team. The surgery team then followed through with the procedure.

## **Accomplishments:**

BARCS is proud to have completed this grant early at the stated goal of 1,500 cats, all within budget.

Spay and Neuter Grants Program

## **Lessons Learned:**

The Community Cat Program at BARCS continues to field calls for assistance with outdoor cats; this program and the grant to alter these cats continues to be a much needed and valued resource for city residents.
