

Maryland Department of Agriculture

House Environment and Transportation Committee
January 27, 2016

Secretary Joe Bartenfelder

At Md. Dept. of Agriculture...

Our Vision is:

. . .to achieve excellence in programs and in services that preserve and protect agricultural resources and the environment, promote profitable agriculture and consumer confidence, and enhance the quality of life for all Marylanders.

Our Mission is:

. . .to provide leadership and support to agriculture and the citizens of Maryland by conducting regulatory, service, and educational activities that assure consumer confidence, protect the environment, and promote agriculture.

Agriculture in Maryland

- 12,256 farms on 2 million acres
- Average farm size: 166 acres
- Top Commodities:
 1. *Poultry*
 2. *Grain (corn and soybeans)*
 3. *Greenhouse and nursery*
 4. *Dairy*

**Source, USDA National Agricultural Statistics Service*

Secretary's Goals

- Diversify and expand agricultural businesses;
- Rebuild farmer trust in the department; and
- Work directly with elected officials and legislators to promote the importance of agriculture.
