III. ANNOUNCEMENTS

Ms. Turner introduced Ms. Davis as the new Fiscal Specialist for MALPF.

The Board said farewell to Mr. Norris and thanked him for his two consecutive four-year terms of service. On behalf of Secretary Bartenfelder, Mr. Wallace presented Mr. Norris with a Citation commemorating his service to the Foundation. The Board also acknowledged the end of Mr. Quinn's two consecutive four-year terms of service, and his contribution to the Foundation as well.

Ms. Turner stated two new members will join the Board at the next meeting. She also informed the Board that the Chair will appoint a Member at Large to represent the Foundation on the Rural Legacy Advisory Committee at that meeting.

The Board Chair announced that both Carol West, MALPF Executive Director, and Diane Chassem MALPF Administrator, were on vacation.

IV. EASEMENT AMENDMENTS

A. ANNE ARUNDEL COUNTY

1) 02-02-02 Chaney, Anna

~159 acres

Request - Anne Arundel County:

Request approval of an annual "Family Farm Day" event under Section D.2. of the Guidelines for uses of land in the MALPF Program policy (anticipated attendance ~500 people).

Recommendations:

Staff finds the event meets Section D.2. of the Guidelines for uses of land in the MALPF Program policy ("Uses Policy") and recommends approval of the request subject to the following:

- 1. Event to occur annually, notifying the Foundation when it is scheduled in subsequent years. If event changes in size/scope, must obtain prior, written Foundation approval.
- 2. No new or additional permanent structures are permitted for the benefit of the event.
- 3. Parking area must be pervious.
- 4. Accessory sales area must not exceed 600 sq. ft.
- 5. Landowner signs a letter outlining conditions.

Ms. Cable introduced the item. Ms. Chaney and Mr. Gorski were available for questions or comments.

Motion #2: To approve the request for an annual "Family Farm Day" event

under Section D.2. of the Guidelines for uses of land in the MALPF Program policy (anticipated attendance ~500 people).

Motion: James Norris, Jr. Second: Donald Moore

Status: Approved

B. CECIL COUNTY

1) 07-13-04 Kilby's, Inc. (Bill & Phyliss Kilby) ~260.0 acres

Request – Cecil County:

Request a farm brewery with sales on the easement property as a permitted farm related use under Agriculture Article Section 2-513 (b)(1)(i).

Recommendations:

Staff finds the proposal meets, or is in the process of, fulfilling the guidelines applied to the brewery request (based on the winery guidelines). Staff recommends approval of the request subject to the following:

- 1. Receipt of Class 8 Maryland Brewery License (and if necessary Class 7).
- 2. Receipt of documentation that the owner of the easement property has an ownership interest in the brewery operation.
- 3. Change of scale of operation or ownership of the easement property and/or brewery operation will require additional Foundation review.
- 4. Agreement to give the Foundation access to the facility for monitoring purposes.
- 5. The County Soil District provides an updated Soil Conservation and Water Quality Plan, if the District determines the change in land use to accommodate the brewery necessitates an updated Plan.
- 6. Landowners sign a letter outlining conditions.

Ms. Cable introduced the item. Mr. O'Connor and Mr. & Mrs. Kilby and Mr. & Mrs. Davis were available for questions or comments.

Mrs. Kilby told the Board the history of the farm and how they have had to look to diversify into other related products to keep the dairy farm viable, which is why they began the direct delivery of milk and the ice cream operation. When the opportunity presented itself to be partners in an on-farm brewery operation, the Kilbys said it fit well within the rest of the operation and decided to pursue. The by-products of the beer making process will be able to feed the dairy cattle as well as provide additional material for the methane digester on the property to produce energy.

Mr. Davis informed the Board the specifics of the brewery operation, stating that ~90% of the ingredients in beer is water. Of the other ingredients, some of the additives that give beer the unique tastes come from all over the world. However, the grains that are part of the brewing process will be grown on the Kilby's farm.

The Board asked about the percentage of grains being provided from the farm if the brewery expanded to the maximum amount of barrels permitted, specifically as it pertains to the terms of the winery policy that are being used as a guideline to review the brewery request. Mr. Davis informed the Board that the intent is that the farm will provide all the grains needed to produce the planned brewing operation; however, if the brewery operation grows beyond the grain supply the farm can produce, they are comfortable with the condition that all grains will be grown in Maryland.

The Board mentioned to MALPF staff that it is a challenge to review a brewery operation using the winery guidelines and recommends staff to establish a brewery policy for the Board to review in the near future.

Motion #3: To approve the request for a farm brewery with sales on the

easement property as a permitted farm related use under Agriculture Article Section 2-513 (b)(1)(i), including all the recommended conditions stated with the additional condition that all grains must be Maryland grown.

Motion: Michael Calkins Second: Jerome Klasmeier

Status: Approved

C. HARFORD COUNTY

1) 12-86-06e Bonita Farm Partnership ~387.89 acres

Request - Harford County

Request for approval of house site location on 52-acre agricultural subdivision.

Recommendations:

Staff recommends approval, subject to: 1) final completion of conditions of pending agricultural subdivision approval and 2) building permit for relocated dwelling to be issued only upon completion of agricultural subdivision conditions.

Ms. Turner introduced the item. Ms. Turner and Mr. Amoss were available for questions or comments.

Ms. Turner explained that the Board had previously approved relocation of the preexisting dwelling right currently associated with the 337-acre parcel to the 52-acre agriculturally-subdivided parcel once all conditions of the agricultural subdivision have been met. The request is to approve the new location of the pre-existing dwelling site only.

Motion #4: To approve the request for a non-subdividable house site

location on 52-acre agricultural subdivision subject to the

conditions recommended by staff.

Motion: Michael Calkins Second: James Norris, Jr.

Status: Approved

VI. PROGRAM POLICY

A. <u>2017 Proposed Legislation</u>

Request

Request approval for staff to pursue introduction of two proposed bills into the 2017 legislative session.

Discussion

Ms. Turner introduced the two proposed bills for the 2017 session: one bill which seeks to amend the MALPF easement termination process; and one bill which seeks to amend the condemnation process as it pertains to reimbursement to MALPF. Ms. Turner was available to answer questions.

The Board questioned the timeline for submitting legislation; the answer was unknown at that time. The Board Chair expressed concern over voting for approval to move forward without having the opportunity to monitor the evolution of the proposed bills as the drafting process continues. Mr. Hayes offered to keep the Board in the loop as new drafts are circulated.

Motion #5: To approve the request of staff to pursue introduction of two

proposed bills into the 2017 legislative session, with the condition that Mr. Hayes keep the Board apprised of the evolution of the bills as they move through the drafting process.

Motion: Cathy Cosgrove Second: Don Moore

Status: Approved
